ORCHARD HOUSE

Care

Orchard House is the number one choice for the care and support you need.

We are here to help when you need a break from your caring role.

Our inclusive price means no unexpected extras. At Orchard House our visitors can:

- Enjoy hot and cold refreshments throughout the day
- Enjoy a tasty and nutritious three-course lunch, with special diets catered for
- Take part in a host of activities and social events throughout the year
- Take advantage of our lovely gardens and safe spaces to wander or sit and relax in the sunshine
- Alternatively, they can relax in our massage chair and enjoy a mini manicure
- If needed, enjoy supported personal care in our wet room or luxury spa bath.
- We are also able to offer hairdressing and chiropody services, paid directly to the therapist

Our caring service aims to promote the health and wellbeing of our visitors.

We understand that sometimes ageing and disability can lead to loneliness and isolation, which in turn have a negative impact on health. That's not to say you must have an illness or disability to come to Orchard House, for many of our visitors it is a "luncheon club" and a place to meet and socialise with others.

We ensure that our team is equipped with the right skills and knowledge to support our visitors, whatever their needs. Most importantly each member of our team shares our values:

"Working together, enhancing lives"

Our free taster sessions are an ideal opportunity to see if Orchard House is right for you, so why not call us for a chat or pop in. We'd be delighted to answer any questions you may have and show you around.

Orchard House Day Care is open Monday to Friday. Call us on **01723 378220** or pop in and say hi!

Did you know we are now able to offer respite care for those times when a longer break is needed?

Our six-bed respite suite is the perfect environment, it provides luxurious accommodation where the emphasis is placed on providing a holiday experience for the people who stay with us.

Unlike respite stays in other homes, at Orchard House you can book in advance. Whether you're looking for a holiday yourself or the person you support needs some extra care following an illness or injury, we can meet your needs.

Our rooms are designed with our guests' needs in mind:

- Six en-suite ground floor rooms with French doors to the garden
- Disability friendly
- Underfloor heating and Wi-Fi throughout
- Smart TVs in each room
- Latest technology and call system
- Spa bathroom with hoist assisted bath

Naturally, we invite our guests to participate in the day centre activities if desired. Contact us to find out more.
